1a: Pets Worksheet

Directions: Your teacher will sign a word for you and tell you the name of the word that is being signed. Watch what your teacher signs. Using this worksheet, find the picture that matches what your teacher is signing. If you think you know the answer, raise your hand. When the answer is given, write the name of the sign in the blank next to the corresponding picture. In place of writing a single word, your teacher may have you write a sentence using each vocabulary word.
